## SUFFRAGE PLANS WILL BE TAKEN UP AT MASSMEETING

If the women of Honolulu are to have woman's suffrage taken up in the present legislature, they will have to act quickly and Mrs. J. M. Dowsett, president of the Woman's Suffrage Association of Hawaii, has called a mass meeting of the women of this city for next Thursday afternoon at 4 o'clock at Ye Liberty Theater. The meeting is not for the members of the suffrage organization alone, but for all the women in Honolulu, so that opinions, pro and con, may be heard upon the subject. Mrs. Dowsett is anxious that the social workers and all of the members of the club will attend the meeting in order to learn whether or not the women in Honolulu really want suffrage. While the meeting has been especially called for women, any

men interested in the subject will be welcome.

When, at the opening of the present legislature, one of the legislators presented the suffrage bill before his fellow members the bill was killed in short order and Speaker Holstein, when questioned by one of the suffragists, said that if the bill had been presented by the women of the city it might have been given a little more consideration. If the majority of the women in this city decide next Thursday that they do want equal suffrage in Hawaii a bill will probably be presented to the legislature for consideration.

Through the kindness of Mr. J. A. Magoon Ye Liberty Theater has been given the ladies free of charge for Thursday afternoon.

### TRIED RECIPES

#### Baked Veal in Crumbs

Dip a fresh veal cutlet in beaten eggs, then in fine cracker-crumbs, and lay it in a baking-pan. Cut thin slices of bacon or salt (pickled) pork, and lay them over the cutlet, so that it is fairly well covered. Bake in a hot oven for about half an hour. A thick slice of cutlet gives the most satisfactory results. Serve with mashed or creamed potatoes.

#### Croquettes of Beans

Cook one-half cupful of white beans until well done. Mash them thoroughly, and add two tablespoonfuls of melted butter. Brown in a little butter one small onion very finely chopped, and one-tablespoonful of chopped parsley. All these to the beans with enough breadcrumbs to make a paste easily formed into small balls. Fry in deep fat.

#### Halibut Salad

As the basis, take from one-half pound to a pound and a half of halibut, depending upon the number of persons to be served. The dressing as given below will be sufficient for the larger quantity. Boil the amount of halibut desired, and when it is cool, flake it, and mix with it the juice of half a lemon, one-half teaspoonful of salt, and a pinch of cayenne pepper. Cover it and let it stand one hour. Make a dressing of one teaspoonful

of mustard, one teaspoonful of salt, two teaspoonfuls of flour, and one and one-half teaspoonfuls of sugar, one teaspoonful of melted butter, a pinch of cayenne, the yolk of one egg, and one-third of a cupful of vinegar. Cook slowly until it thickens to the consistency of cream. Remove it from the fire and add one-third of a tablespoonful of gelatin dissolved in one and one-half tablespoonfuls of water. When it is cold add one-half cupful of cream, whipped, and fold in the fish. Put it into mold and chill. You can cut the molded fish into slices, and serve it with either mayonnaise or French dressing—Yonkers' Companion.

#### Tomato Bisque

Heat two cups of milk in a double boiler. Cook two level tablespoonfuls of butter with two level tablespoonfuls of cornstarch and add the hot milk. Return to the double boiler and cook 10 minutes. Cut two level tablespoonfuls of butter into bits and add to the thickened milk. Season with level teaspoon of salt and a pinch of white pepper. After the tomatoes have cooked until soft strain them into the milk and, if they were very acid, add a pinch of soda before straining. Mix and serve at once. Have about a cup of the strained tomato.

## 'SUNBEAM' CLASS WOULD ASSIST HOSPITAL

In order to solicit aid in the raising of funds to endow a bed in the Children's Hospital, the "Sunbeam" department of Central Union Church, through Miss Ermine Cross, superintendent of the class, has sent out circular letters to the parents of the members of the department, and also others who may be interested, asking that they give their assistance in carrying out the plan.

The "Sunbeam" department is made up of small children—who contribute their savings to what is known as the "Sunbeam Bed" at the Children's Hospital, and visit the institution regularly with flowers and toys for the little patients. Another plan which has been devised for the raising of the necessary funds will be a Sunbeam bazaar at the benefit fete which is to be given on April 26 at the Lewis home on Punahou street. The proceeds of this affair will be devoted to securing a permanent endowment of \$6000 for the Children's Hospital. In the Sunbeam booth will be placed contribution boxes to hold Joy, Thanks, Memory and Love offerings and also a number of check books from the different Honolulu banks for those who wish to give checks instead of cash.

The letters which have been sent out by the superintendent of the Sunbeam class reads, in part, as follows:

"Our money helps in the support of what is known as the Sunbeam Bed and our children have made visits to the hospital—singly and in groups—always carrying flowers, toys, or fruit to the little child occupying our bed, and his unfortunate companions.

"It has been our dream to have funds enough to endow the Sunbeam Bed and this letter is an appeal to all who read it, to help us realize that dream NOW.

"If you have children who are well and strong, let this be your joy offering; if you have children who are frail and yet you are able to care for them properly, let this be your thank offering; if you have children who have joined the 'Choir Invisible' let this be your memory offering; and to all who have no children let this be the measure of the love with which you would surround a little child.

"Contributions can be paid in money, or by check to those in charge of the Sunbeam booth at the garden party to be held Saturday, April 26, at the home of Mrs. Lewis, Punahou street, or deposited to Sunbeam account No. 4433 in the savings department of the Bank of Hawaii."

## PHENOMENON IS MME. CLARA BUTT

If you never go to but one other recital in your life, let it be the one given by Mme. Clara Butt. It is the unreserved advice given by a Coast critic, in passing judgment upon the entertainment presented by the famous contralto and her equally talented husband, Kenneth Rumford. The sale of seats for the recital to be given on Friday evening April 26, at Ye Liberty theater, has indicated to Manager Adams that the phenomenal singer will be greeted by a large and fashionable audience.

Seats are on sale each day at the office of the Hawaii promotion committee.

Mme. Clara Butt sang to a large audience at the Cort theater, says a Chronicle critic.

"Her extraordinary voice captured her hearers. When she sang Sir Arthur Sullivan's setting of Anne Proctor's verses, 'The Lost Chord,' her auditors rose up en masse and demanded an encore, whereupon Mme. Butt came back and sang 'Annie Laurie,' and then with difficulty made her escape.

Mme. Butt is the greatest balladist that has ever been heard in San Francisco since Alexander Heilmann was here. She does well anything from MacDowell's 'The Broom of the East' to Saint-Saens' 'Les deux coeurs' or 'Le chateau de la mer.' She has a voice of great lucidness and a temperament adequate to the performance of a Handel aria or a Schubert or Schumann song.

"Her husband, Kenneth Rumford, sang a group of songs as prelude to the appearance of his talented wife. He presented selections by Hugo Wolf, Richard Strauss and Edouard Greig. Particularly interesting were the Wolf songs, though Rumford's voice is a trifle light to compass the bigness of Strauss or Wolf or Greig.

"The duets sung by Mme. Butt and Kenneth Rumford were delightful contributions to the program. 'Night Hymn at Sea,' by Goring Thomas, was a beautiful contribution, in which the light baritone of Rumford and the heavy contralto of Mme. Butt mingled harmoniously.

"The same impression was made here yesterday afternoon as was made many years ago in London when Mme. Butt began her career as a public singer. Her beauty of voice and her superlative interpretation of the songs of the masters, made a conquest of the audience at the Cort.

Exceedingly fine were Harold Croton's accompaniments. Croton has much the same independence in playing accompaniments that LaForge has and is equally free from mannerisms.
